Good Morning Cornerstone Church, and **WELCOME** to our first-time visitors and friends!

“Jesus, you did not make our bodies to be infected by a flu virus. You have given us an immune system to fight these invasions. When you walked the earth you healed many. Nearly every page of the Gospels shows you restoring someone’s body to health. We know that you are with us today eager and able to do the same. We ask for your power to bolster our strength to battle this sickness. Embolden our immune system now. We join you and curse this vile virus. For those now battling this sickness give them hope and strength. For those who have been exposed, give them resistance. Thank you for your healing. In Jesus Yeshua’s Name!”

Exodus 17:12 New Living Translation (NLT)

12 Moses' arms soon became so tired he could no longer hold them up. So Aaron and Hur found a stone for him to sit on. Then they stood on each side of Moses, holding up his hands. So his hands held steady until sunset.

Ephesians 4:11-16 New Living Translation (NLT)

11 Now, these are the gifts Christ gave to the church: the apostles, the prophets, the evangelists, and the pastors and teachers. 12 Their responsibility is to equip God's people to do his work and build up the church, the body of Christ. 13 This will continue until we all come to such unity in our faith and knowledge of God's Son that we will be mature in the Lord, measuring up to the full and complete standard of Christ.

14 Then we will no longer be immature like children. We won't be tossed and blown about by every wind of new teaching. We will not be influenced when people try to trick us with lies so clever they sound like the truth. 15 Instead, we will speak the truth in love, growing in every way more and more like Christ, who is the head of his body, the church. 16 He makes the whole body fit together perfectly. As each part does its own special work, it helps the other parts grow, so that the whole body is healthy and growing and full of love.
