

Whisper

To be a person of great faith in God and powerful in prayer, you must learn to hear the voice of God.

Romans 10:17

1 Kings 19:9-13a

Is it possible that God is speaking and you not hear his voice?

What prevents you from hearing God's voice more clearly?

What is a still small voice?

Why does God usually speak in a whisper?

Have you ever sensed the leading of the Holy Spirit?

Why is silence so important in life?

What might be required of you to find more peace and quiet in your life?

John 10:1-5, 27
