

## Healthy Relationships

Do you see your life as something you create?

Or do you see your life as something that is happening to you?

God is looking for faithful people, a faithful church to help create the world. Jesus came to re-establish the Kingdom of Heaven in the Earth. He invites us to help Him do so.

### **RULE OF LIFE**

- A simple description of a 'Rule of Life' is a pattern of practices which center us on Christ and help us love others well

- There is a rhythm to life. And if it is not "regulated" or "balanced," we get out of rhythm and find it more difficult to center our life in Christ.

### **Philippians 2:1-5**

**1) Pray for others instead of gossiping about them**

**2) Celebrate other's victories**

- **Romans 12:15-16**
- Why is it easier to mourn with those going through trials, than to rejoice when others experience victories?

**3) Work towards unity instead of demanding your own way**

**4) Serve others, don't seek to be served.**

**5) Be loyal**
